COLONEL E.H.
TAYLOR

BOTTLED IN BOND

Honoring the “Father of the Modern Bourbon Industry,”
the E.H. Taylor Collection embodies the uncompromising quality
that Colonel Taylor demanded in his day. Taylor ushered in
a new era of whiskey craftsmanship through innovation and
the Bottled in Bond Act of 1897. These whiskies all
boast their own distinct flavor, but share the unmatched
quality that Taylor would proclaim as topmost class.
